Hi, everyone!

I see from our cover that Donald has popped out for frozen fish with a difference! Want to hear some amazing fish facts? Well, sturgeons are the wrinklies of the fish world - they can live for up to 70 years! And did you know that the skins of dogfish are so rough that fisherman used to scrub the decks with them? Ouch!

MICKEY MOUSE

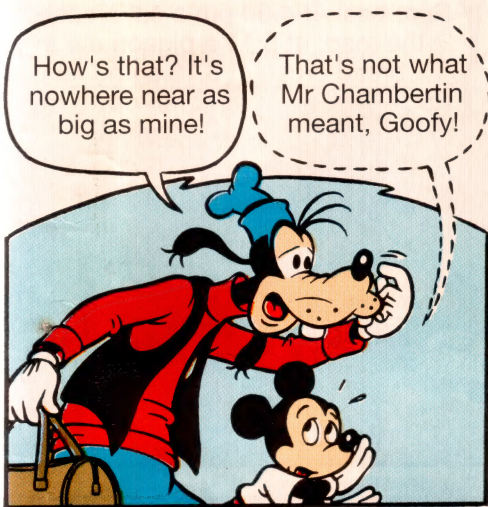

Stake Out

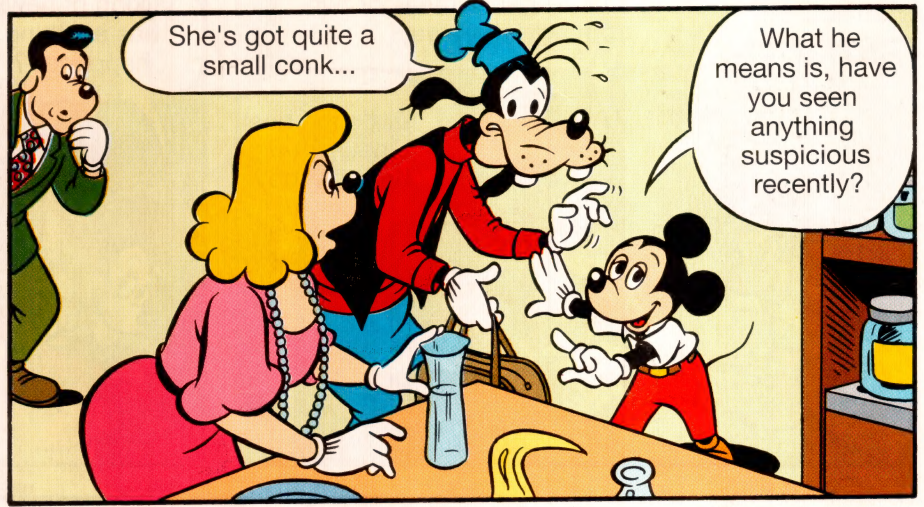

First, come and meet Miss Ariadne Fforbes-Hamilton. She checks our quality - she's got the best sniffer in the business!

How's that? It's nowhere near as big as mine!

That's not what Mr Chambertin meant, Goofy!

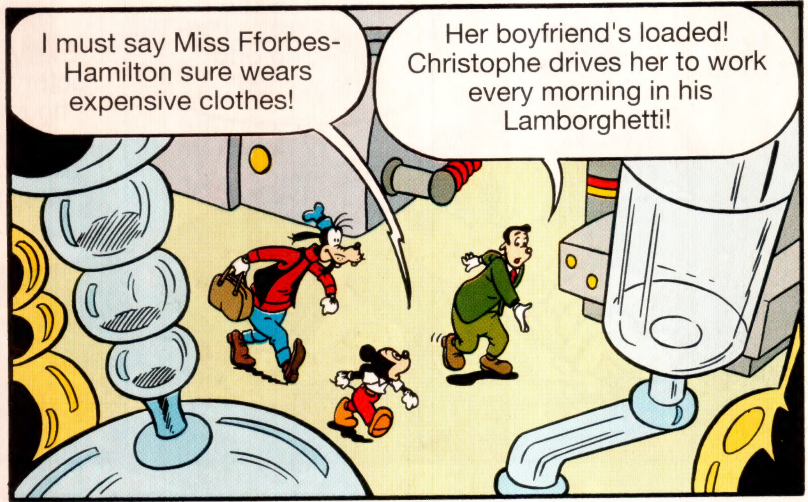

She's got quite a small conk...

What he means is, have you seen anything suspicious recently?

No, but I can certainly **smell** something suspicious! Will you excuse me, please? Work is difficult enough with the builders in!

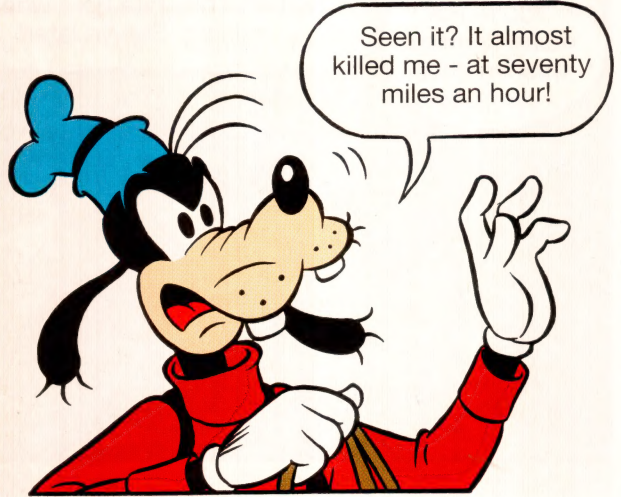

I must say Miss Fforbes-Hamilton sure wears expensive clothes!

Her boyfriend's loaded! Christophe drives her to work every morning in his Lamborghetti!

A **blue** Lamborghetti?

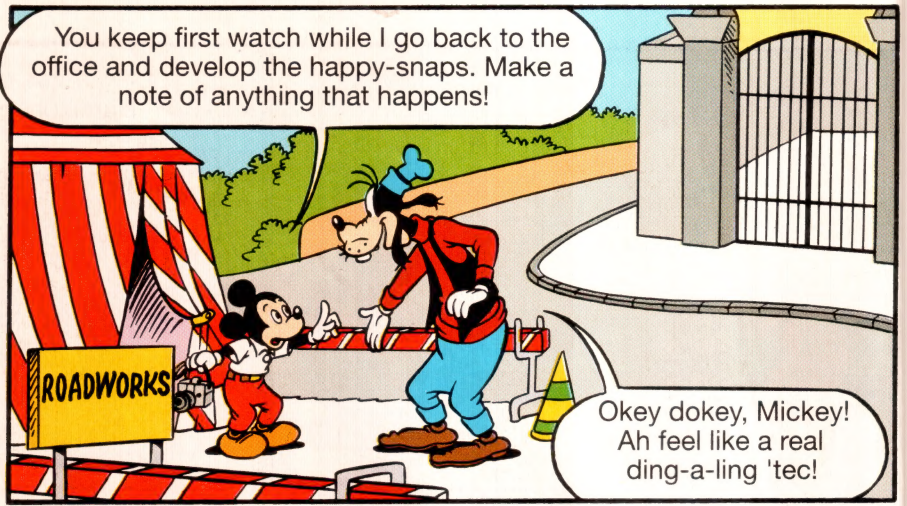

Right! You've seen it?

Seen it? It almost killed me - at seventy miles an hour!

We'll get to work straight away. We'll soon sniff out the villain!

You keep first watch while I go back to the office and develop the happy-snaps. Make a note of anything that happens!

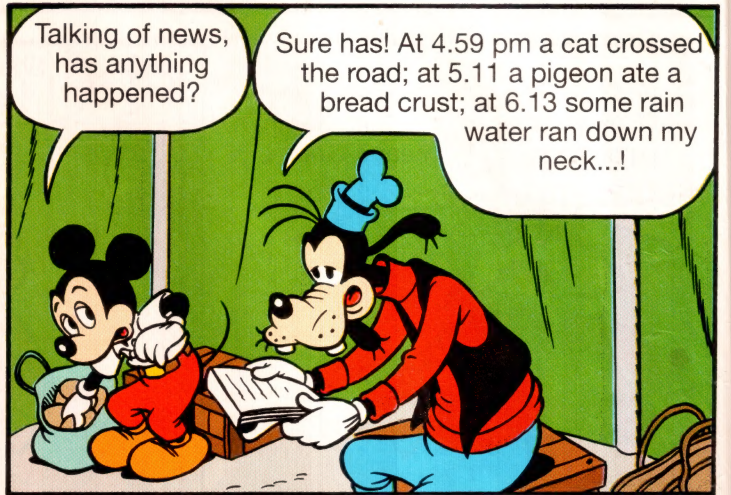

Okey dokey, Mickey! Ah feel like a real ding-a-ling 'tec!

Later...

I bought us a special meal for two from the take-away!

That's the best news I've heard all day!

Talking of news, has anything happened?

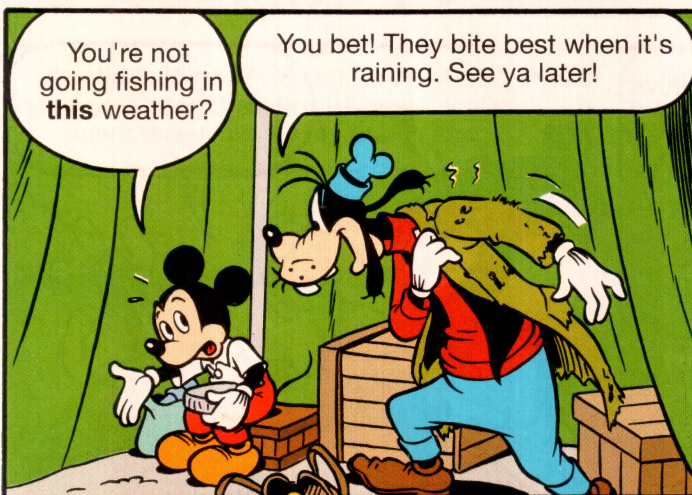

Sure has! At 4.59 pm a cat crossed the road; at 5.11 a pigeon ate a bread crust; at 6.13 some rain water ran down my neck...!

Let's put it another way - has anything **odd** happened?

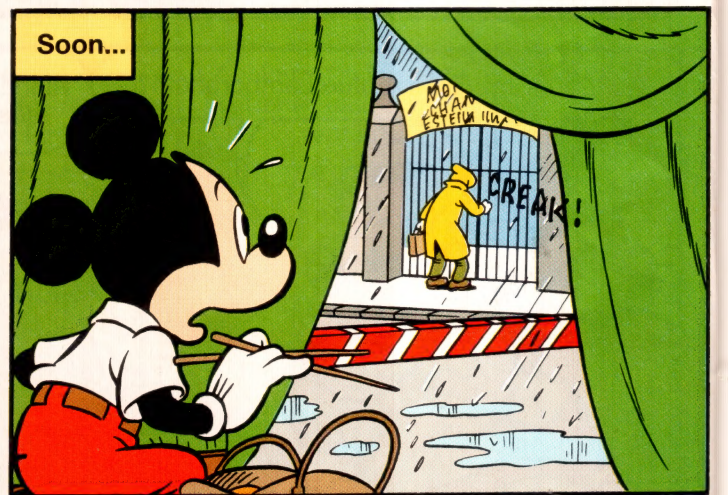

Shucks, no! Everyone left the factory a couple of hours ago! Ya could've heard a pin drop since then! (Slurp!)

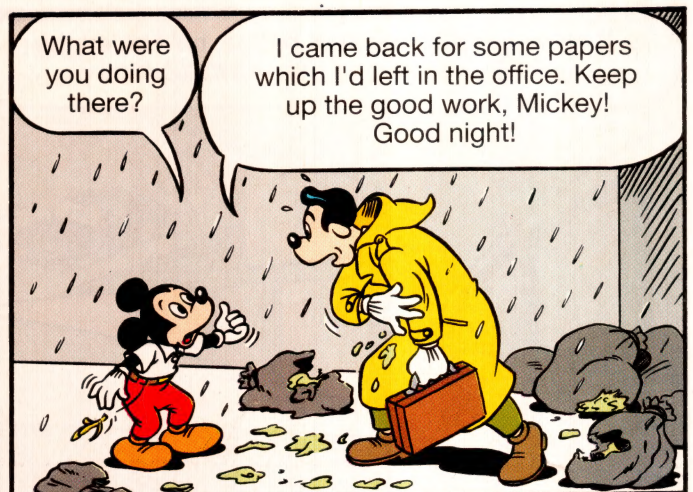

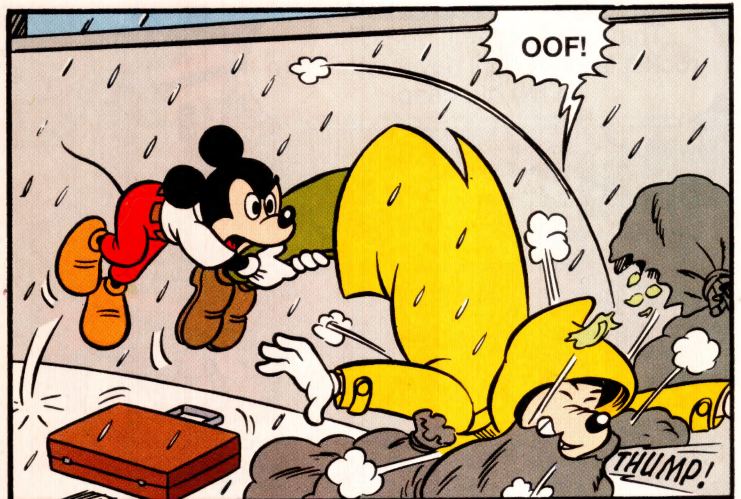

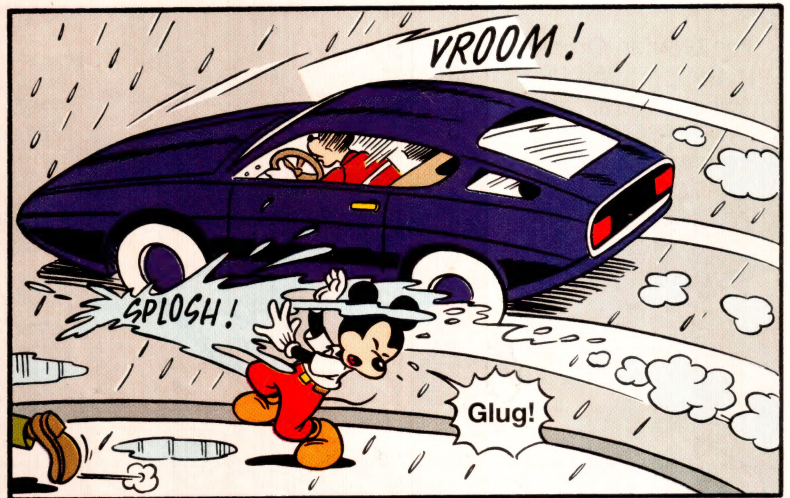

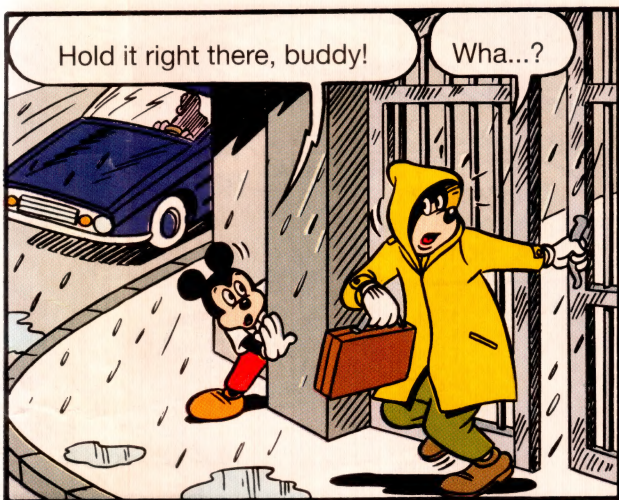

You're not going fishing in **this** weather?

You bet! They bite best when it's raining. See ya later!

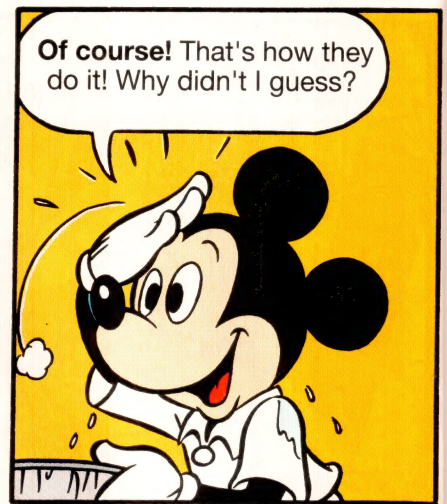

Soon...

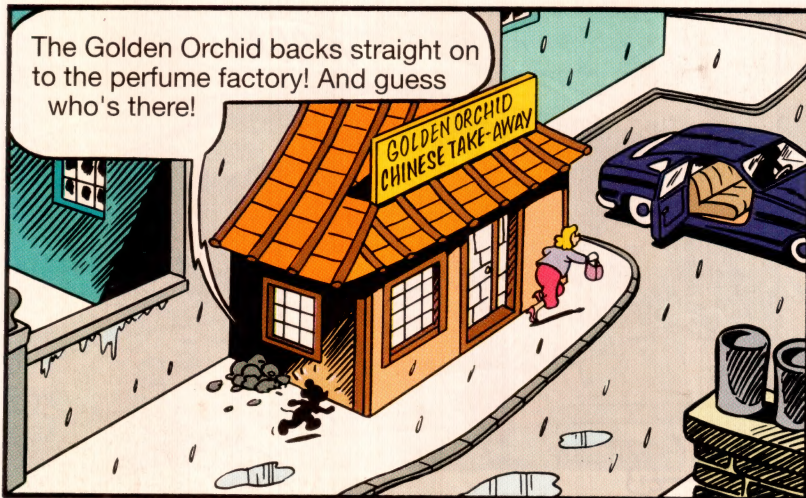

So...

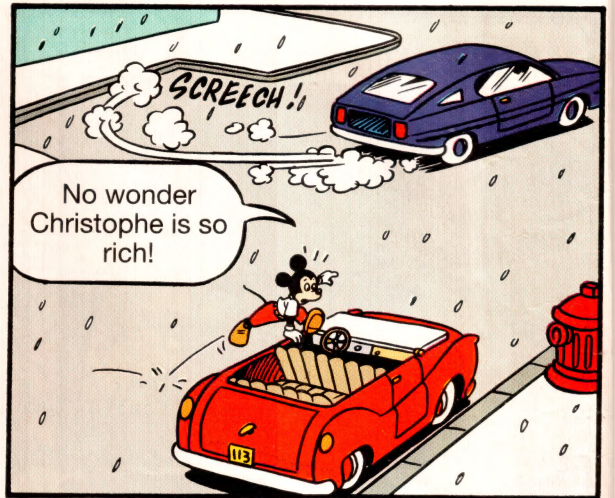

Well, at least I can finish my dinner. Now, what's this dish called?

Of course! That's how they do it! Why didn't I guess?

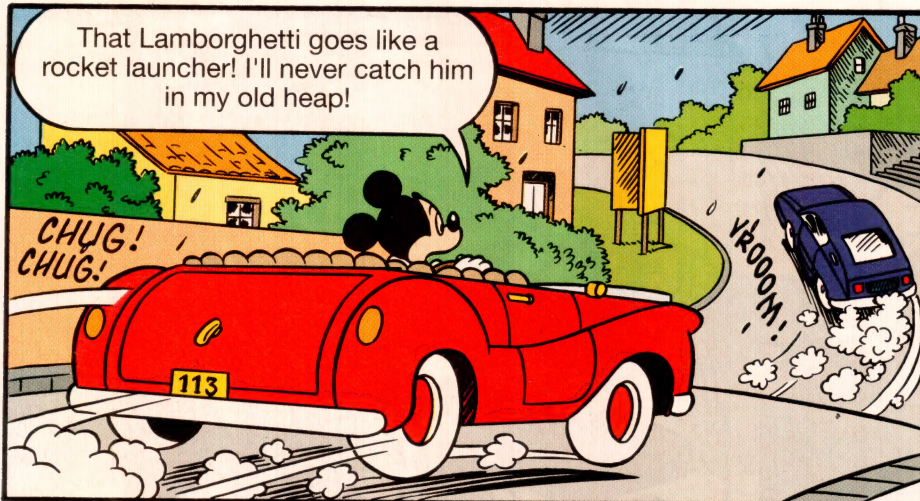

The Golden Orchid backs straight on to the perfume factory! And guess who's there!

SCREECH!

No wonder Christophe is so rich!

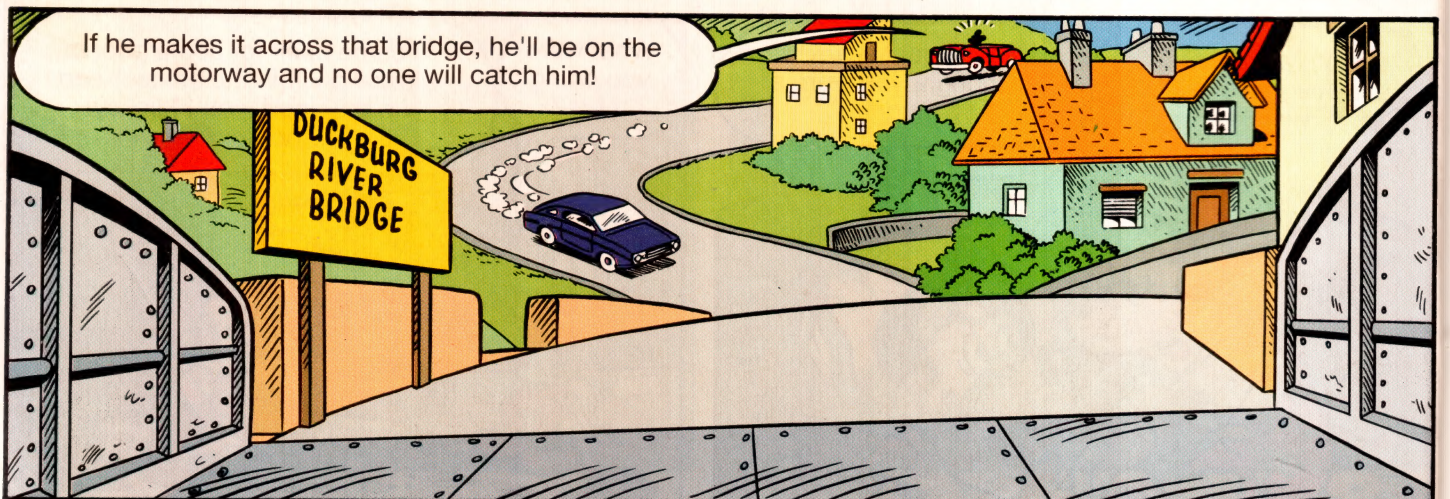

That Lamborghetti goes like a rocket launcher! I'll never catch him in my old heap!

CHUG!
CHUG!

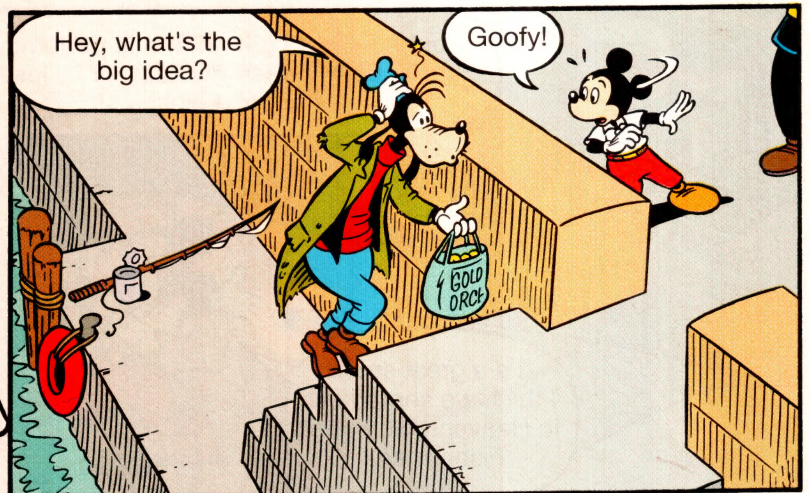

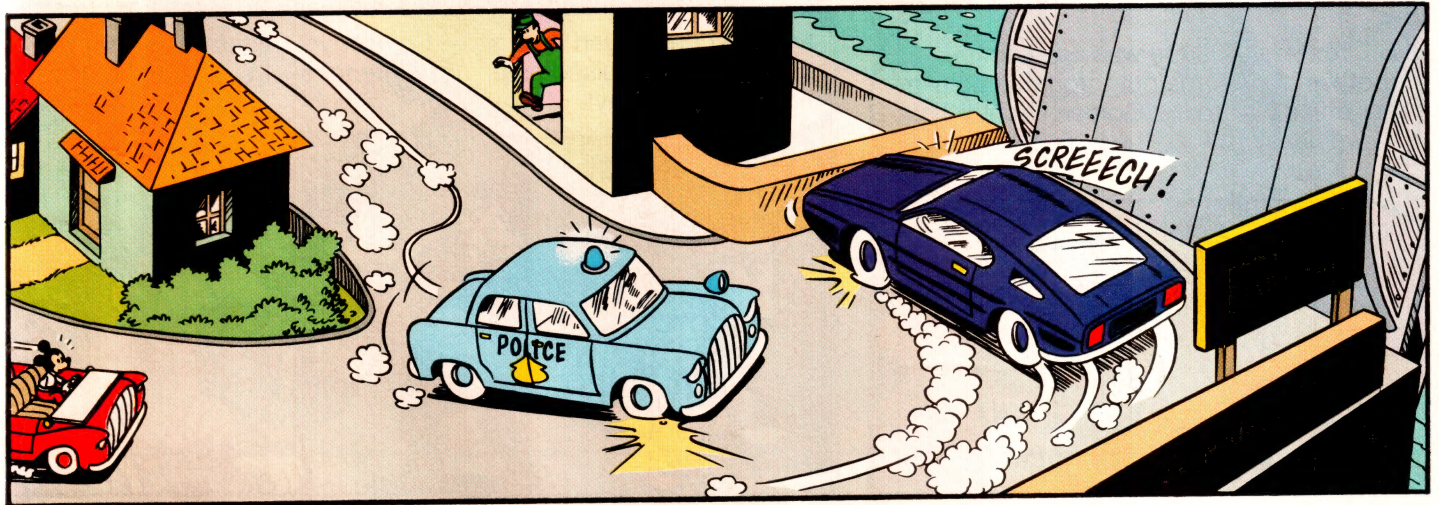

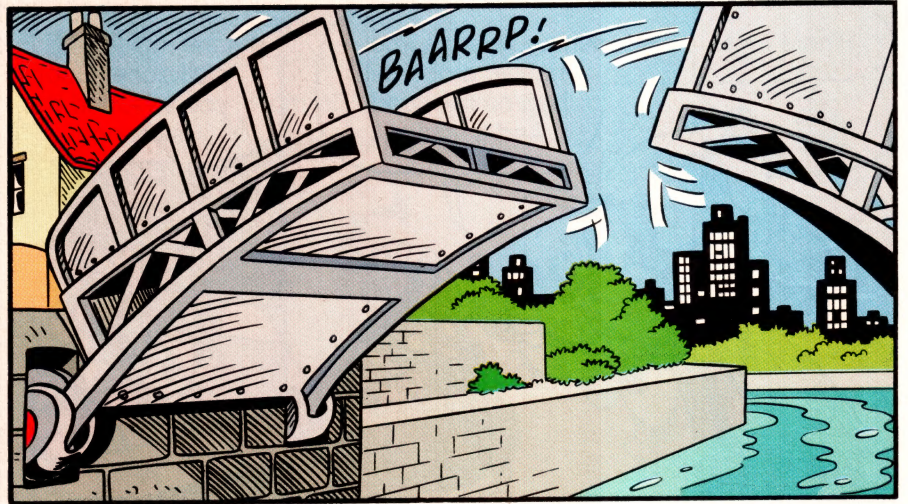

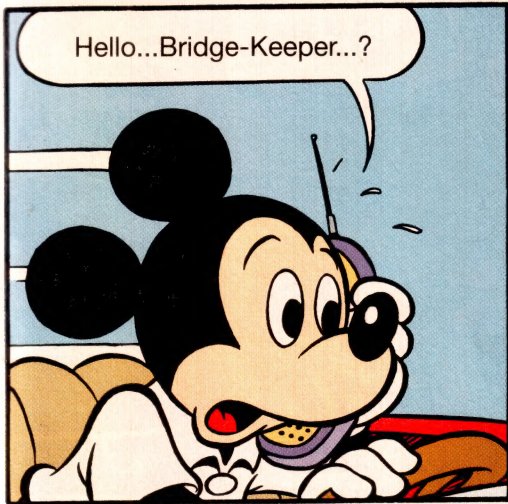

VROOM!

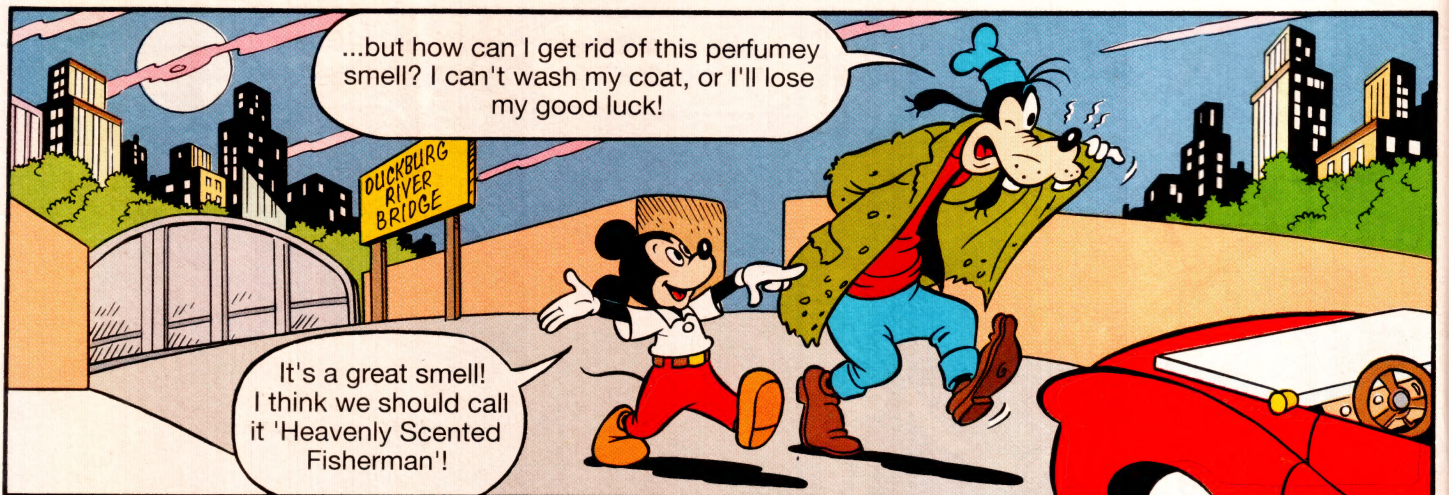

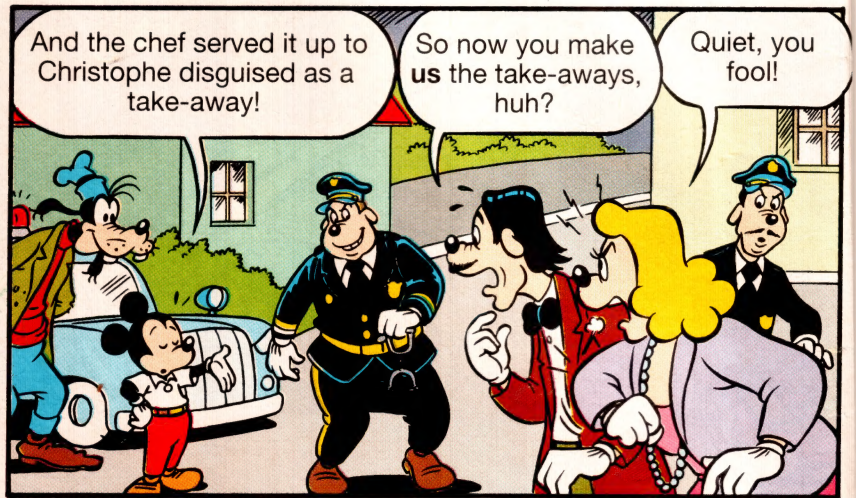

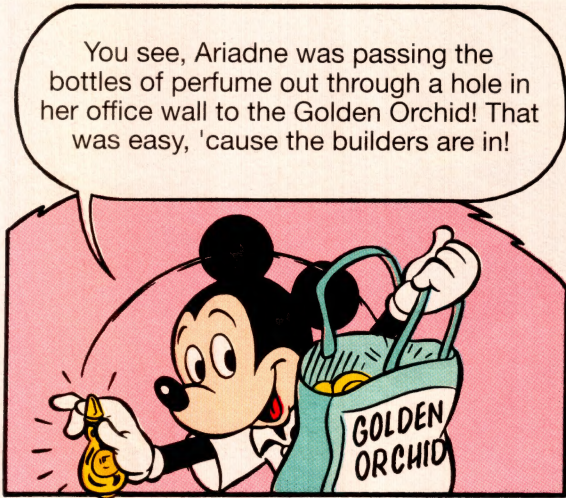

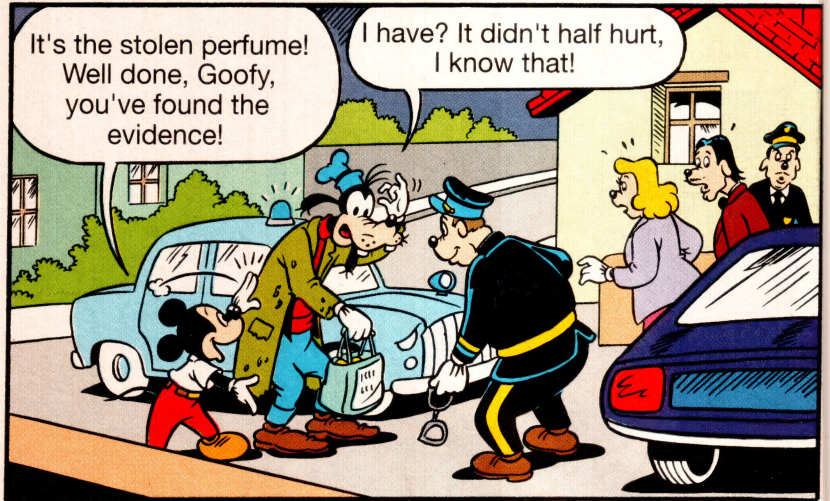

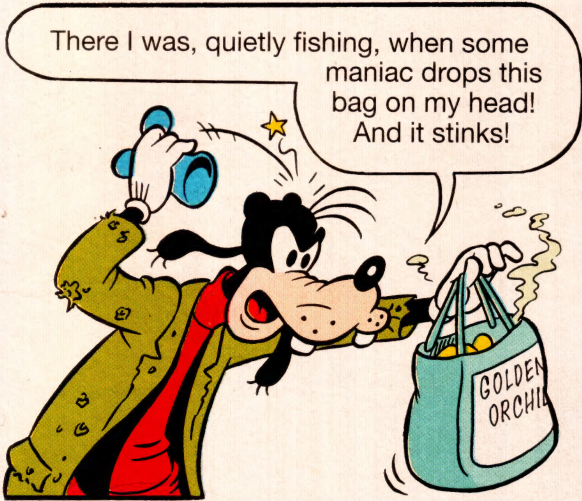

Hello, police? This is Mickey Mouse, Private Eye!

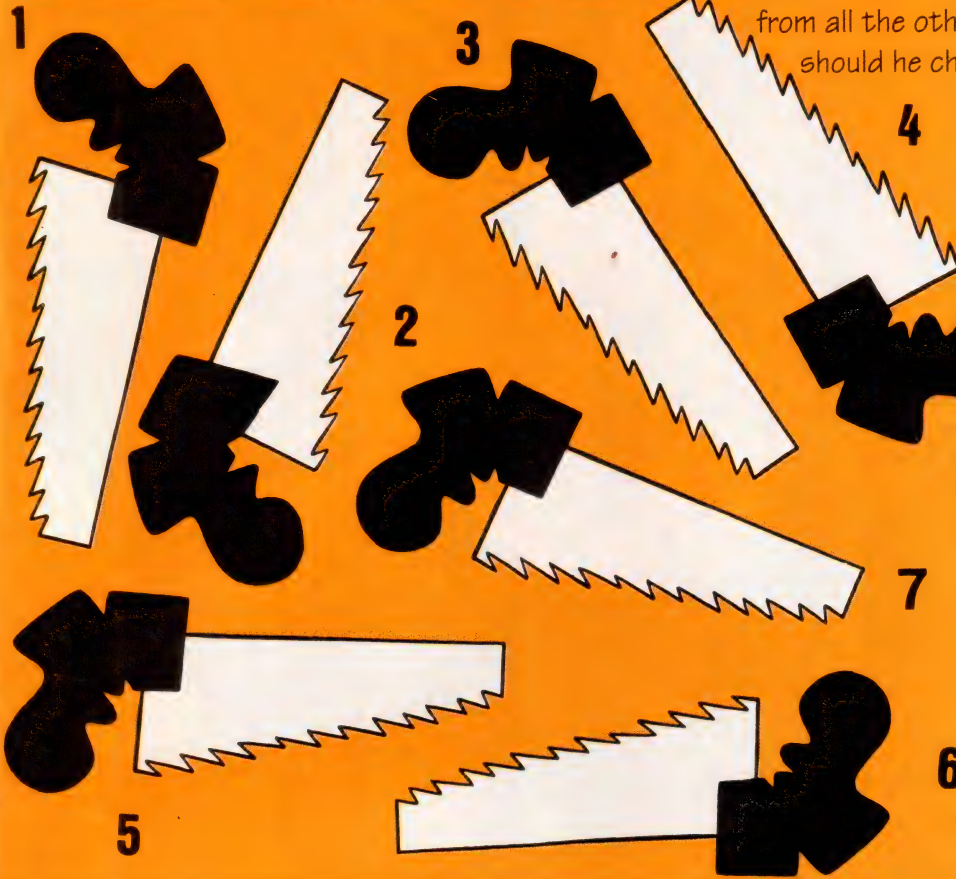

If he makes it across that bridge, he'll be on the motorway and no one will catch him!

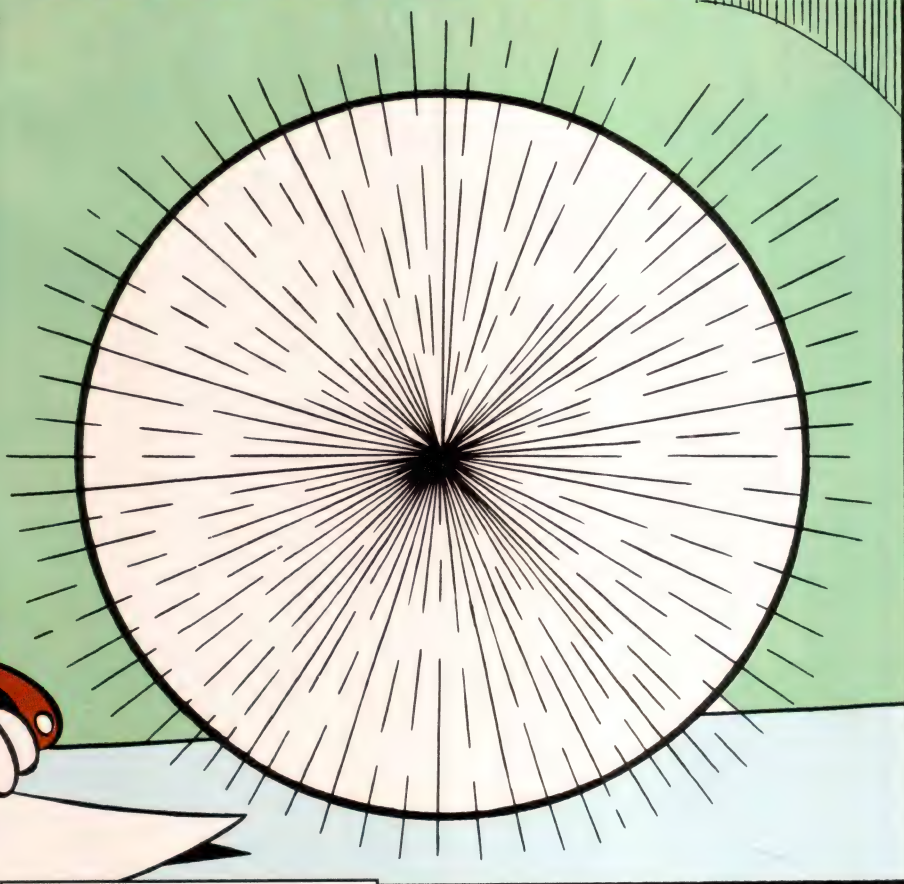

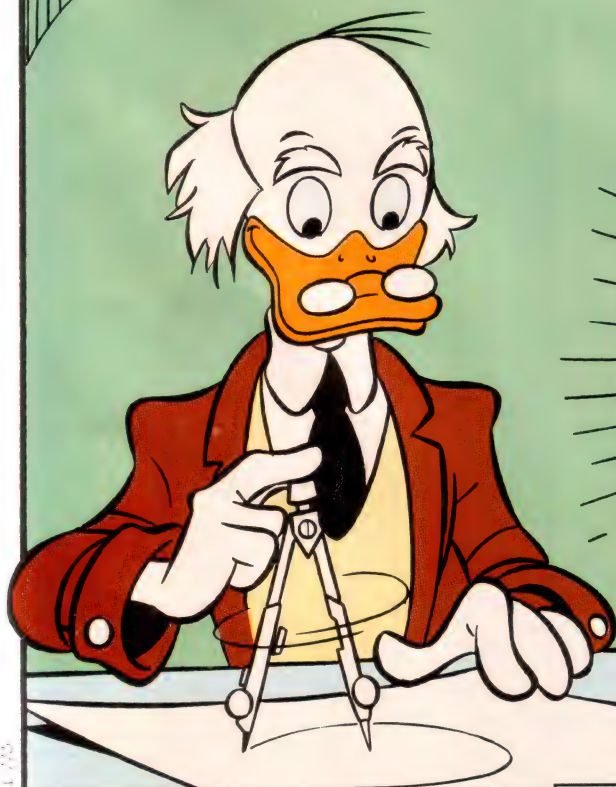

SEE SAWS!

Goofy's about to do a spot of DIY and is looking for his special saw. He wants the saw that is different from all the others. Which one should he choose?

Look at the lines that Ludwig has drawn in this circle. They all look broken, but some of them are solid. How many lines run from the centre to outside the circle without a break?

LUDWIG'S LINES

The answers are on page 31.

DANCES WITH DUCKS!

Donald, Daisy and the nephews are having fun being native American Indians. There are some things not quite right with this wild west scene, though - see if you can spot all five mistakes.

The letters on the left unscramble to spell out the name of a famous Indian chief. Start with the biggest letter and work down to the smallest to find out who it is.

Look at the wigwam in the bottom right of the picture. There's a piece missing from it, leaving a black hole. Which of the pieces numbered 1 to 5 fits into the hole?

There are lots of wigwams in this picture and two of them are the same. Which two?

DONALD DUCK

The Excuse

No! Please! Lemme explain!
You see, my car broke
down and...

HALT!

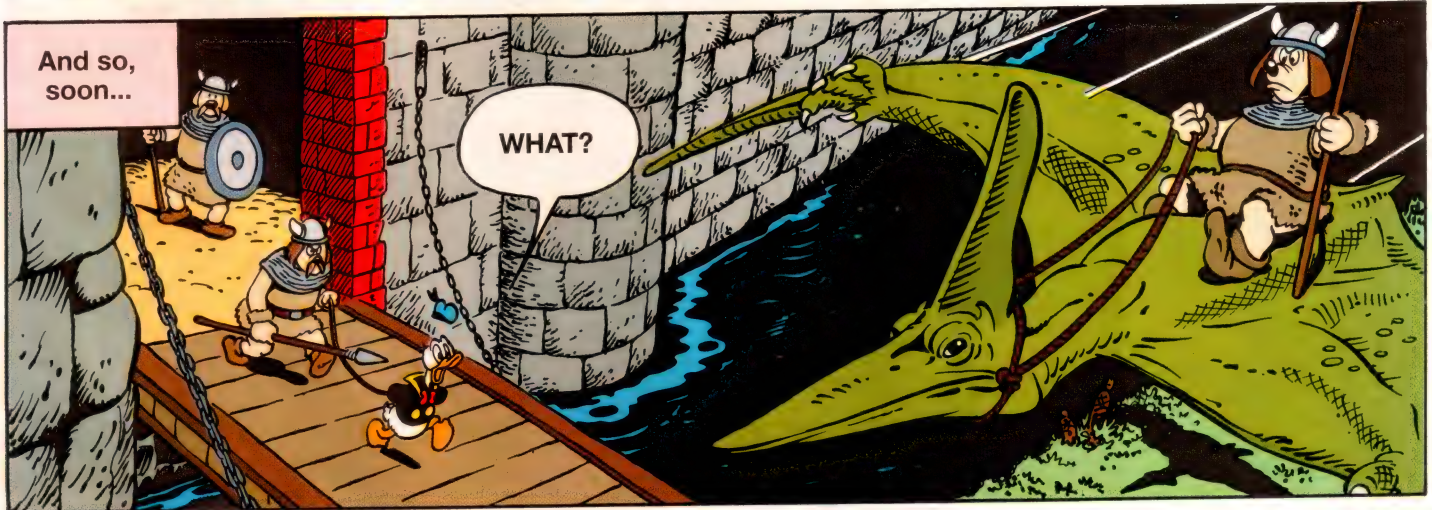

Remember our law, Ogar! We don't kill folks at
lunch-time - it's bad for
the digestion!

But you can't let him go, Pa! I was
really looking forward to some of
that pudding!

Gunhilda's right! For ruining the royal pud
you'll have to spend the rest of
your life in the
mines!

And so,
soon...

WHAT?

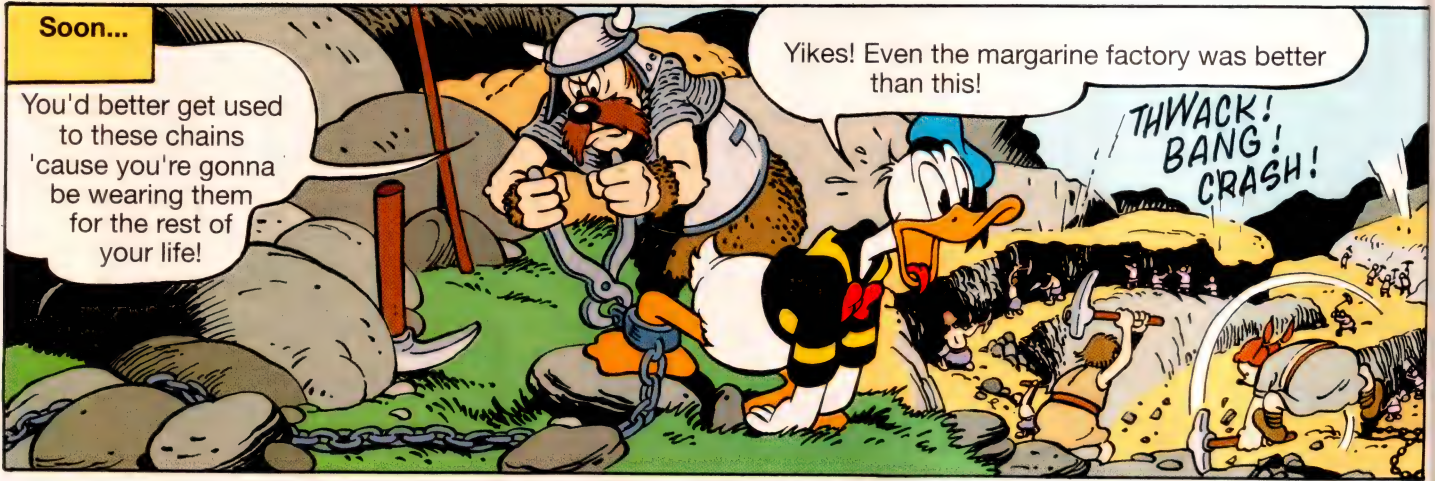

I don't believe this! I must've had
a bang on the head!

This is amazing!
I must be
dreaming!

Ow! Maybe
not.

Get a move
on!

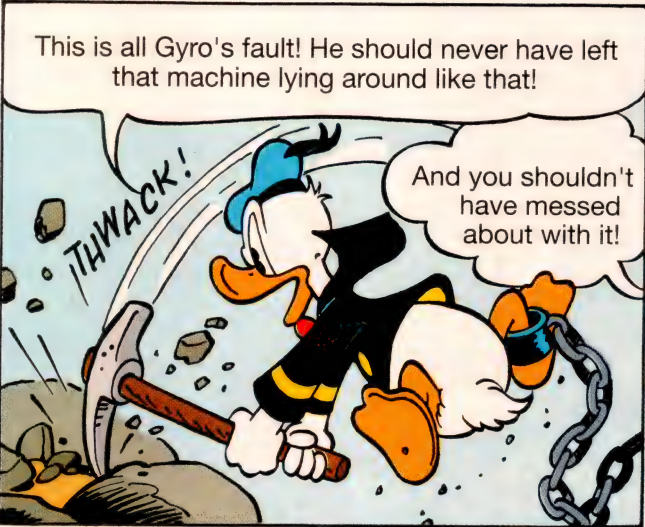

Soon...

You'd better get used to these chains 'cause you're gonna be wearing them for the rest of your life!

Yikes! Even the margarine factory was better than this!

THWACK!
BANG!
CRASH!

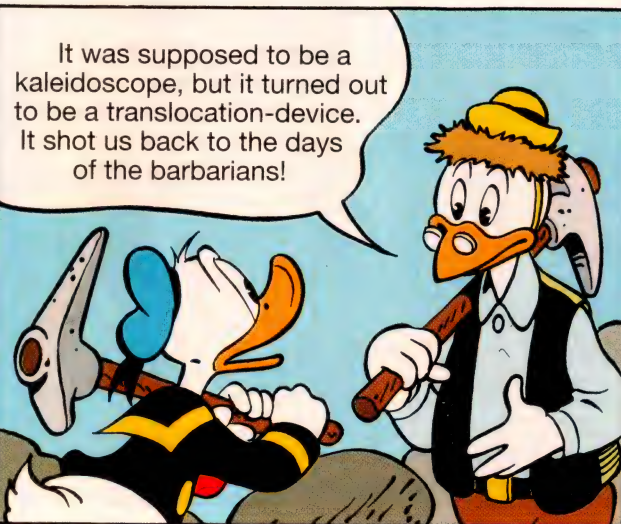

This is all Gyro's fault! He should never have left that machine lying around like that!

And you shouldn't have messed about with it!

Gyro! What are you doing here?

I was messing about with my invention, too!

It was supposed to be a kaleidoscope, but it turned out to be a translocation-device. It shot us back to the days of the barbarians!

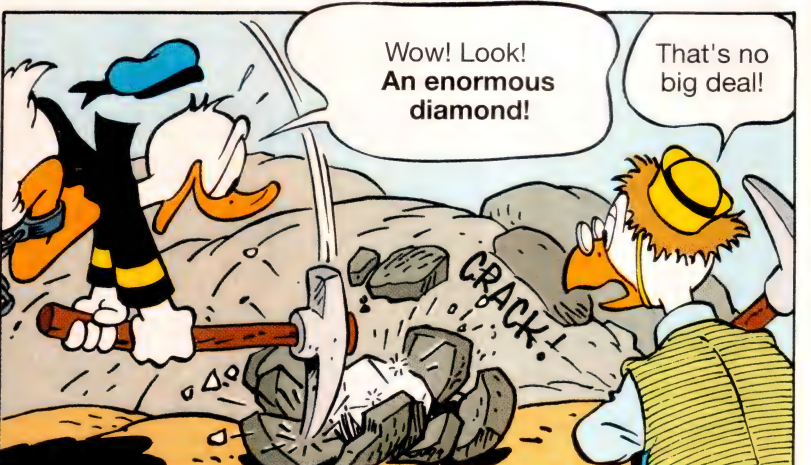

Well, I ended up in the King's pudding!

Get back to work, you two!

That's nothing! I ended up in the Queen's bath!

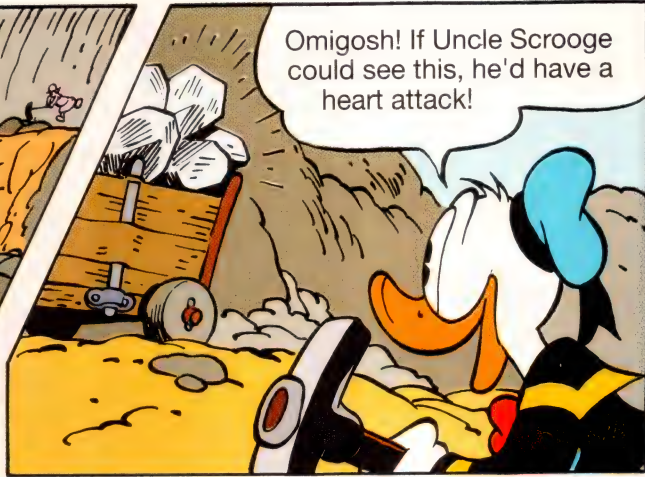

Wow! Look! An enormous diamond!

That's no big deal!

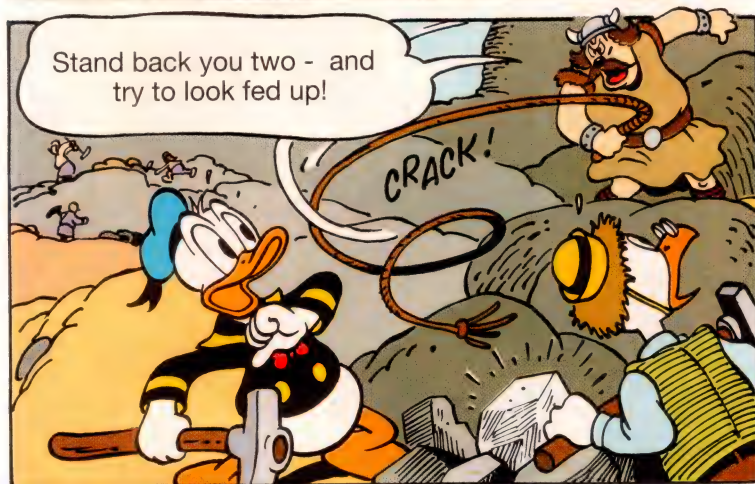

Look at that!

(GASP!)

Omigosh! If Uncle Scrooge could see this, he'd have a heart attack!

Stand back you two - and try to look fed up!

CRACK!

King Baldoff and Princess Gunhilda are coming to inspect the mine! You'll be for it if they think you're enjoying yourselves!

Quick! Here they are!

Gunhilda, pick up a stone for your new ring while I make sure the slaves are really miserable!

That must be a jumbo pterodactyl!

Maybe this one's a little over the top...

Yikes!

Oh, no! Jomo!

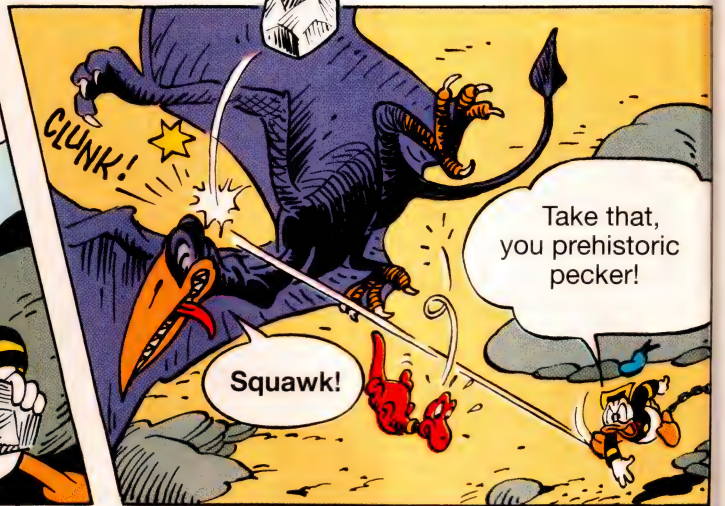

Help! He's got my Jomo!

SWOOP!

Help! A ramphorynchus is flying away with my little Jomo!

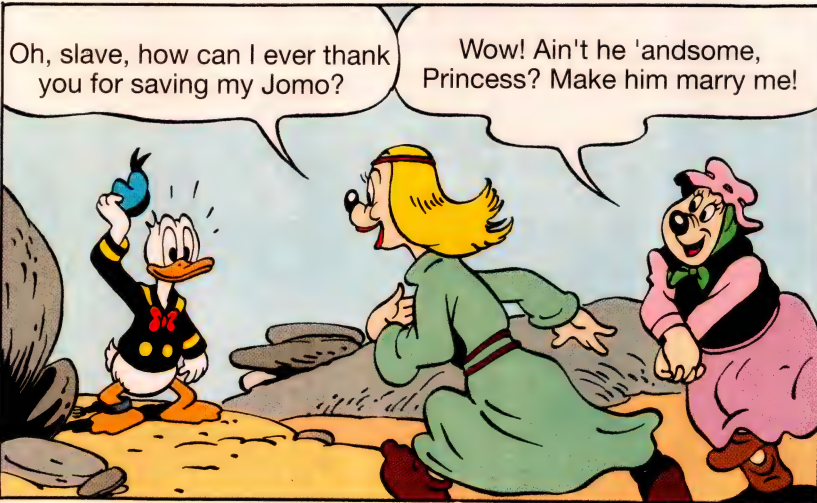

That's one way to escape!

CLUNK!

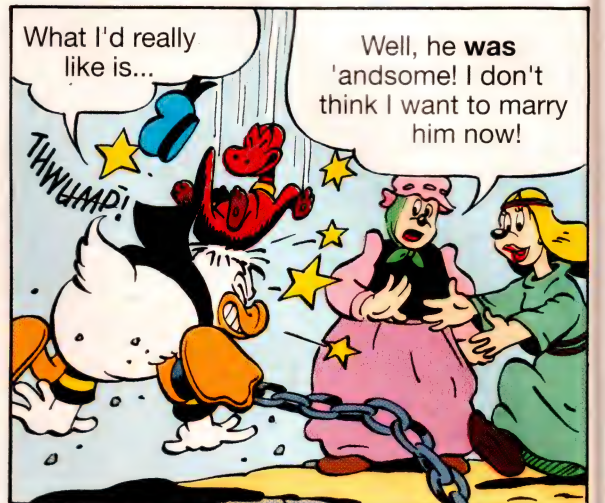

Squawk!

Take that, you prehistoric pecker!

Oh, slave, how can I ever thank you for saving my Jomo?

Wow! Ain't he 'andsome, Princess? Make him marry me!

What I'd really like is...

Well, he **was** 'andsome! I don't think I want to marry him now!

Pa, you **must** release the brave slave who rescued my Jomo!

SLURP!

Very well. Your wish is my command, my sweet Gunhilda!

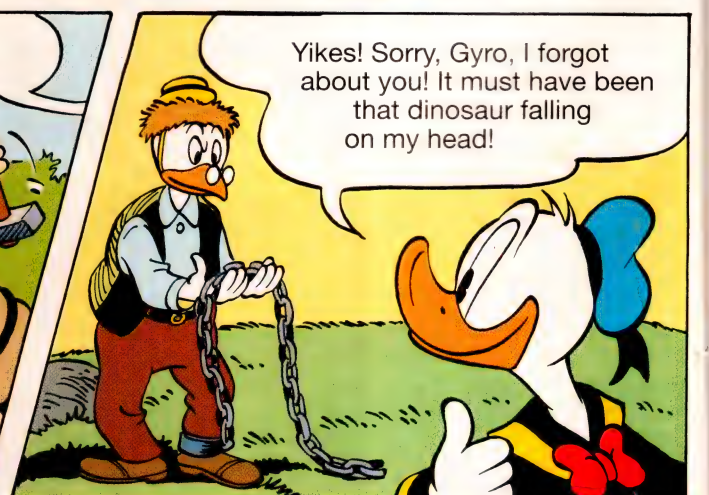

Off with his chains!

Why don't you come and stay at the castle? You can carry my jewellery!

Hey! What about me?

BANG!

Yikes! Sorry, Gyro, I forgot about you! It must have been that dinosaur falling on my head!

While my friend is in chains, I must remain a slave, too!

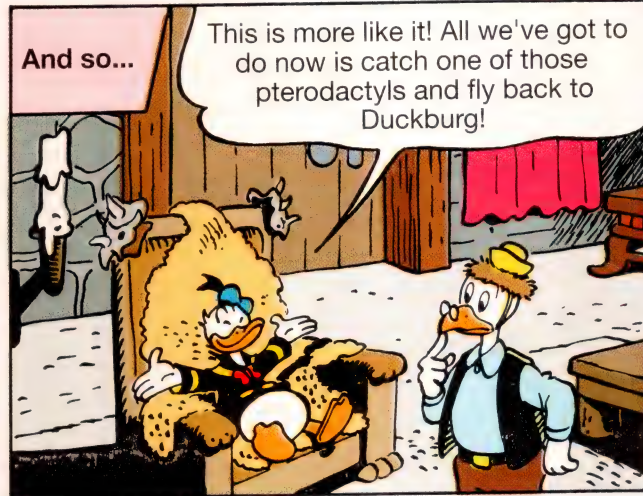

All right, then, suit yourself!

No! He wants you to release his friend! Please, Pa. For me!

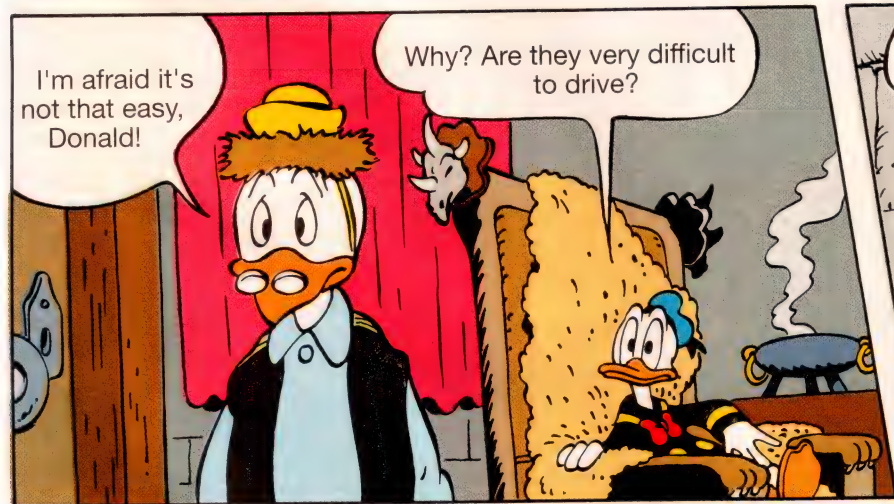

Very well, Gunhilda, but he's the last! If we free all the slaves, there'll be no one to whip!

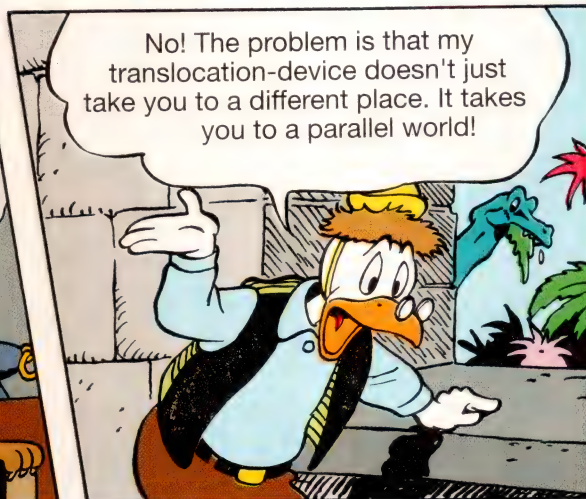

And so...

This is more like it! All we've got to do now is catch one of those pterodactyls and fly back to Duckburg!

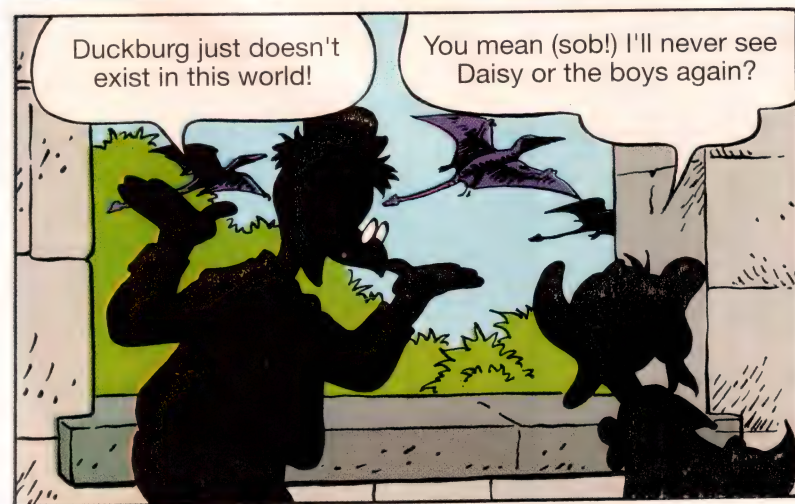

I'm afraid it's not that easy, Donald!

Why? Are they very difficult to drive?

No! The problem is that my translocation-device doesn't just take you to a different place. It takes you to a parallel world!

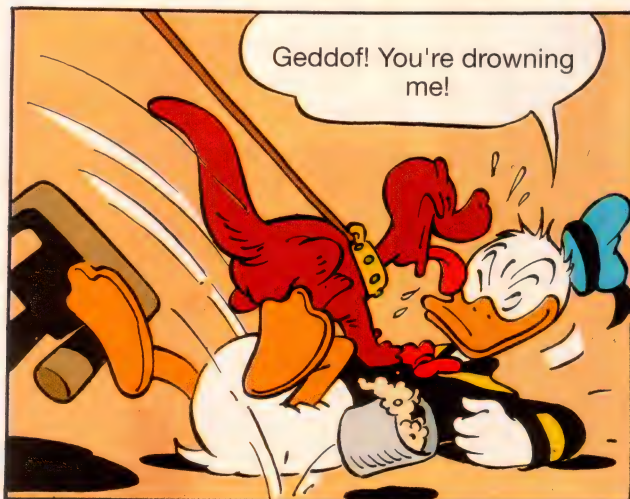

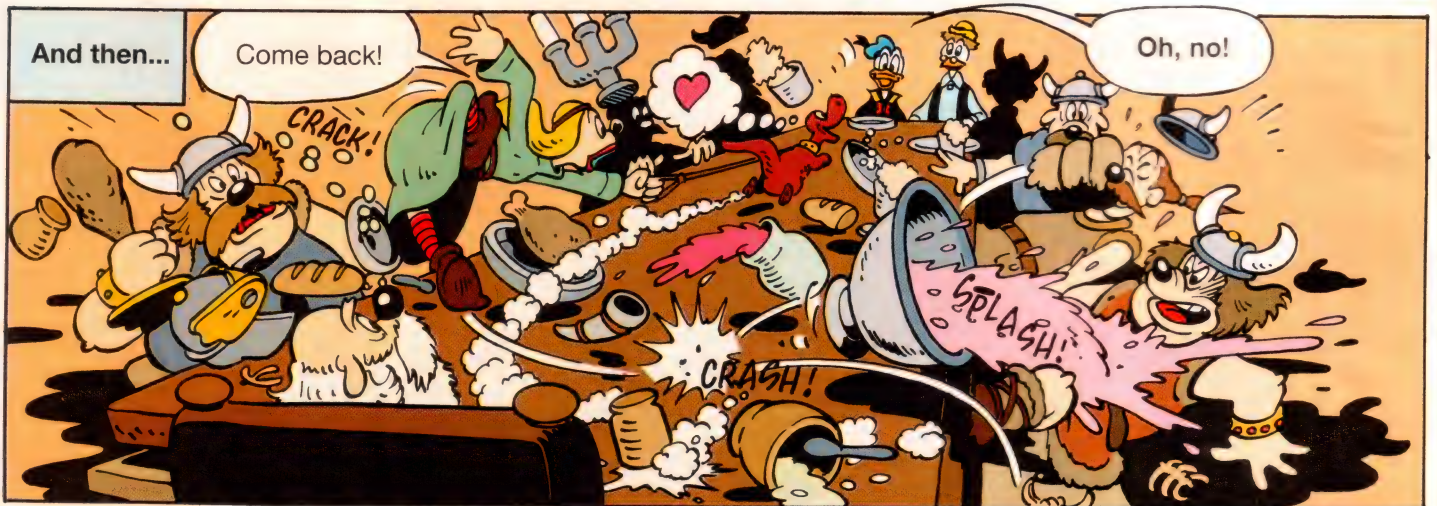

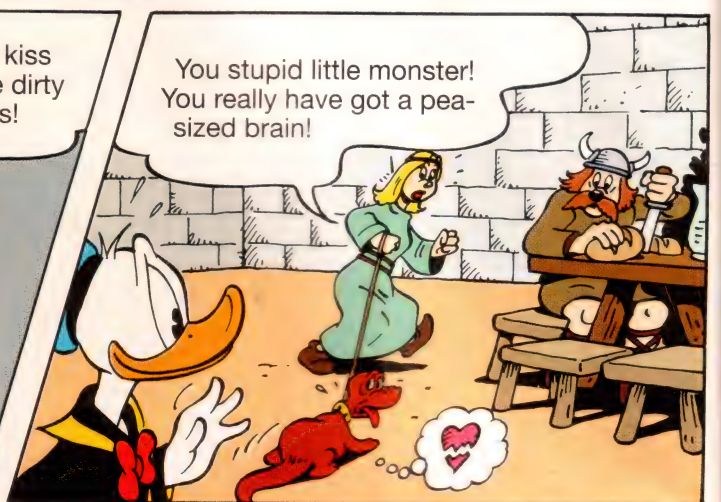

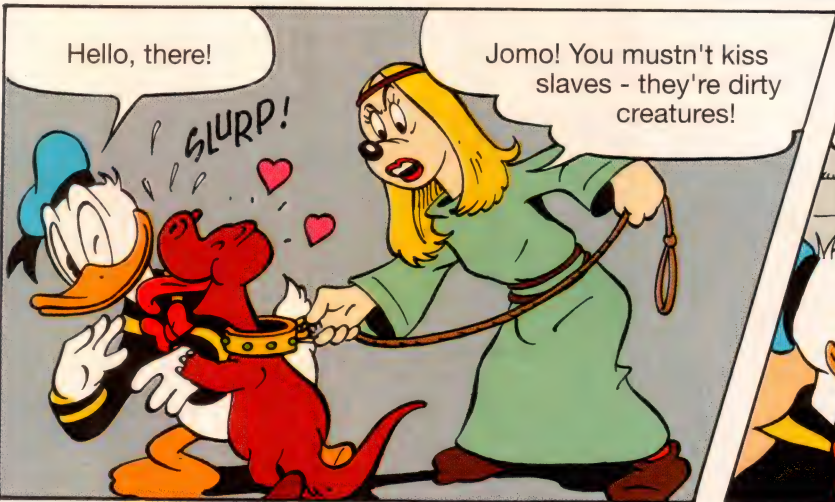

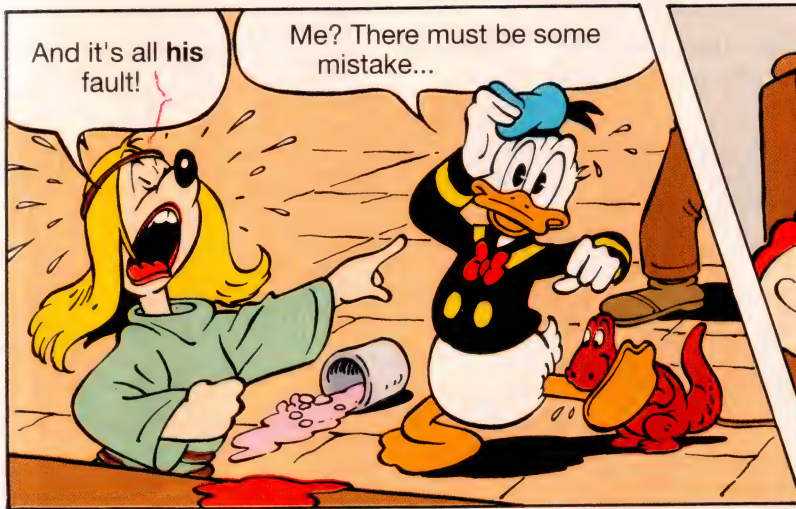

Duckburg just doesn't exist in this world!

You mean (sob!) I'll never see Daisy or the boys again?

King Baldoff formally invites you into the royal banquet hall to stuff your faces!

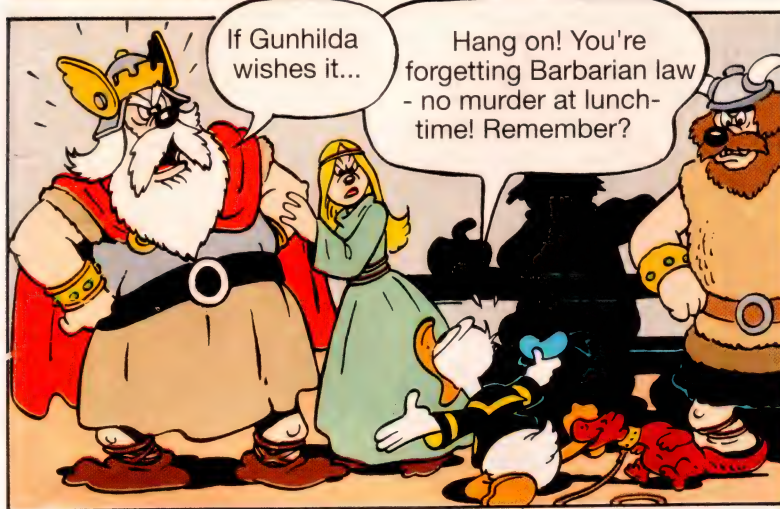

And it's all **his** fault!

Me? There must be some mistake...

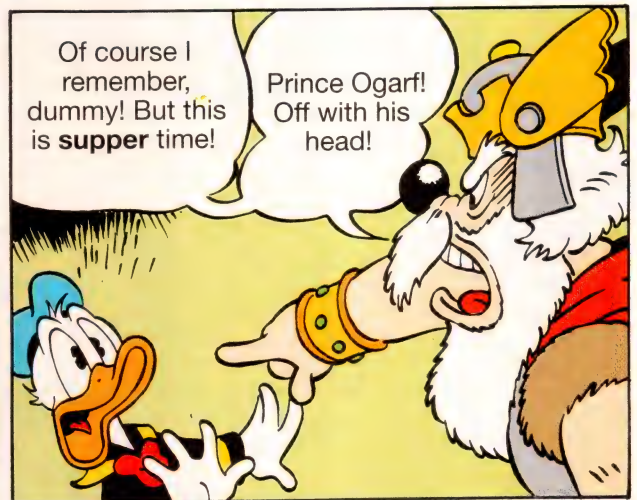

Pa! Order that duck's head to be chopped off! Please... as an early birthday present!

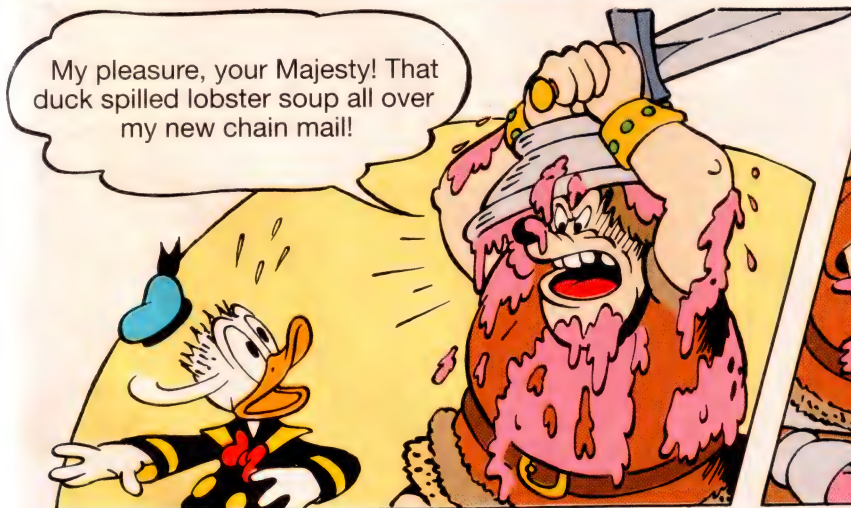

If Gunhilda wishes it...

Hang on! You're forgetting Barbarian law - no murder at lunch-time! Remember?

Of course I remember, dummy! But this is **supper** time!

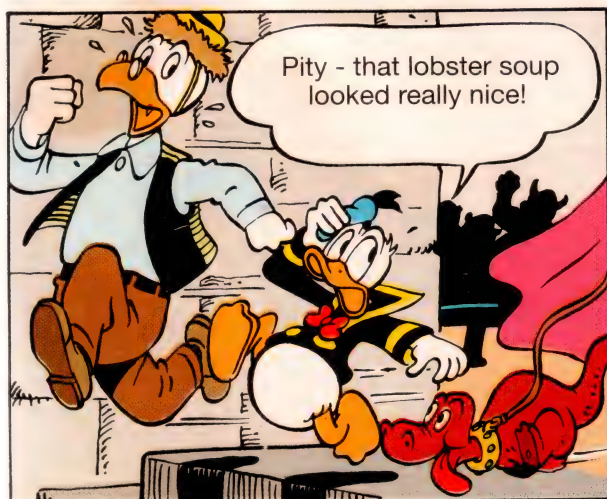

Prince Ogar! Off with his head!

My pleasure, your Majesty! That duck spilled lobster soup all over my new chain mail!

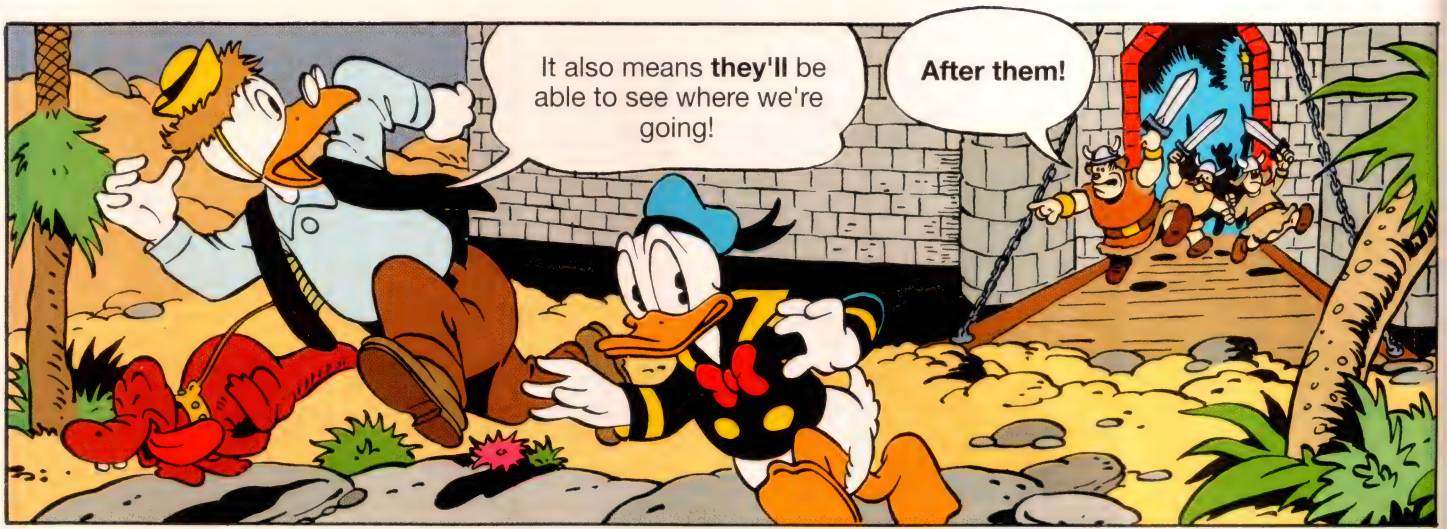

Thanks for supper! But we really have to go!

Pity - that lobster soup looked really nice!

There's a full moon - so we'll be able to see where we're going!

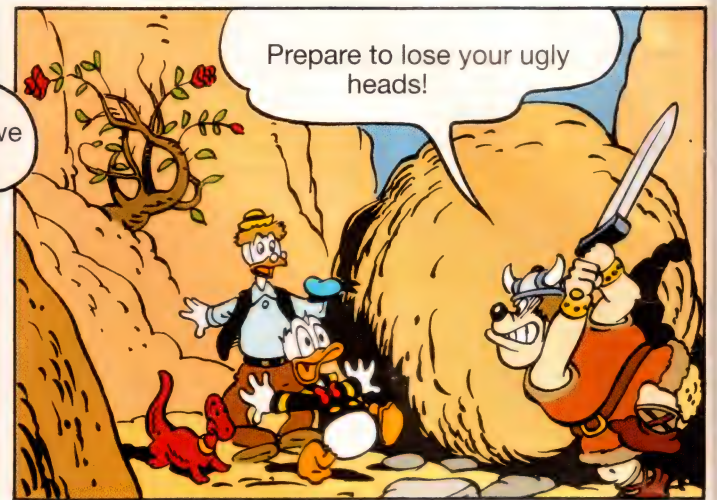

It also means **they'll** be able to see where we're going!

After them!

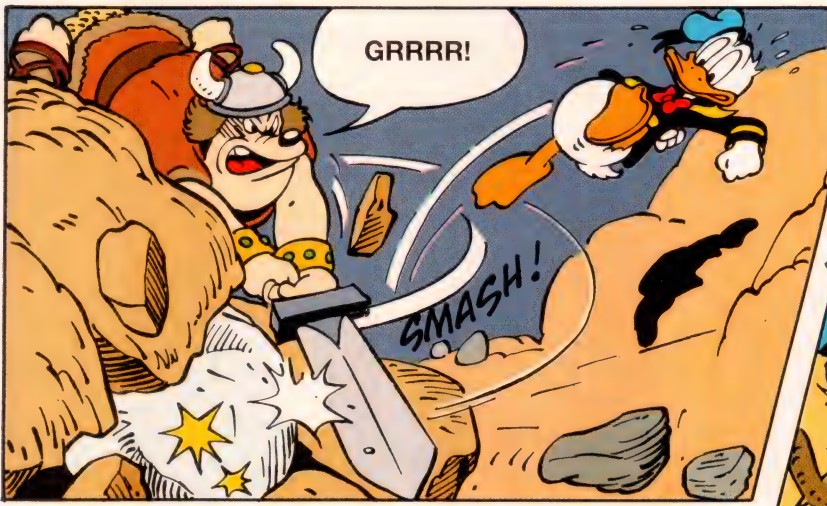

Soon...

Oh, no! It's a dead end! If we turn back they'll nab us!

Prepare to lose your ugly heads!

GRRRR!

SMASH!

Oh, bananas! First I land in the royal pud, and now in a rose bush!

And you won't get away **this** time!

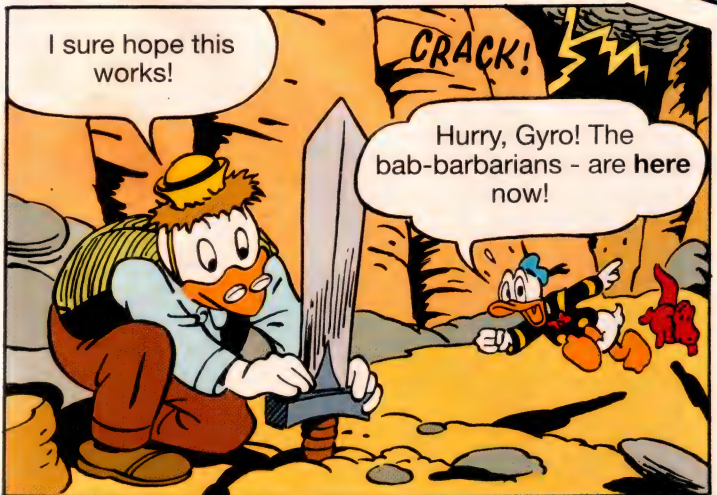

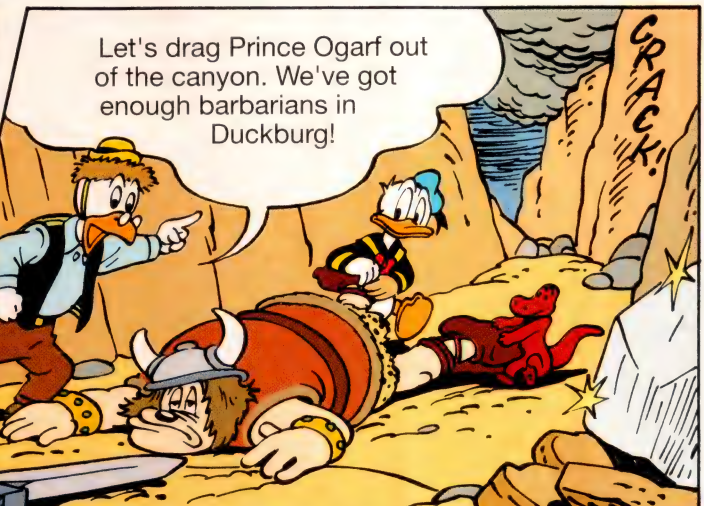

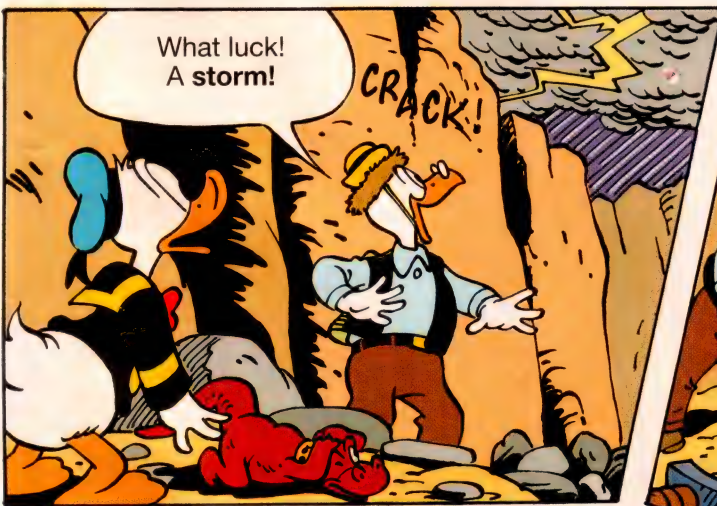

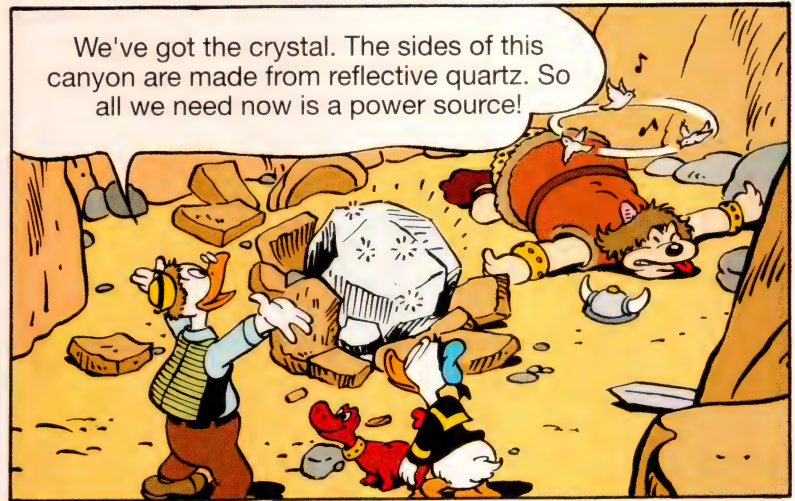

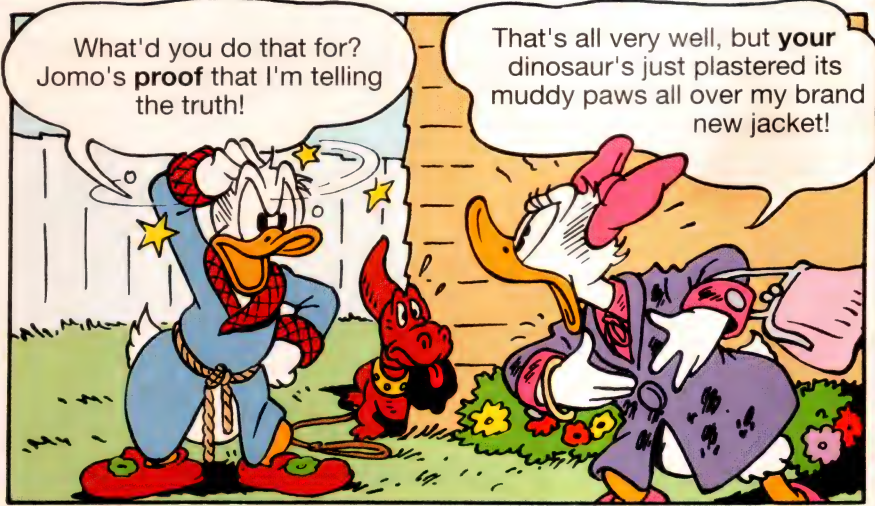

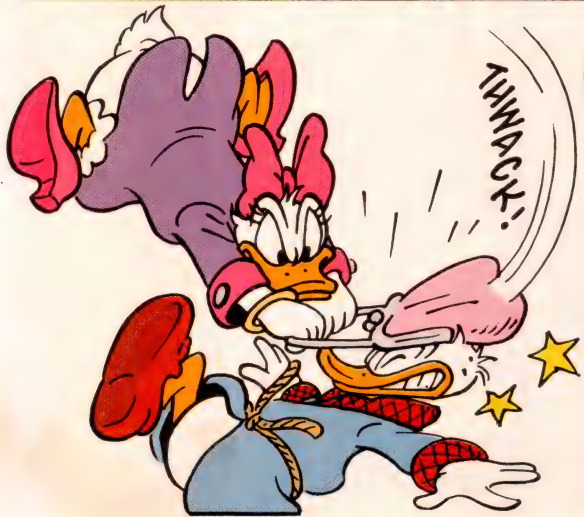

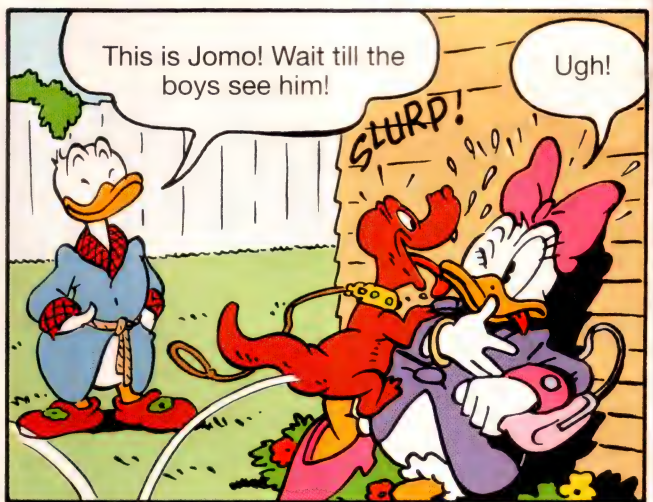

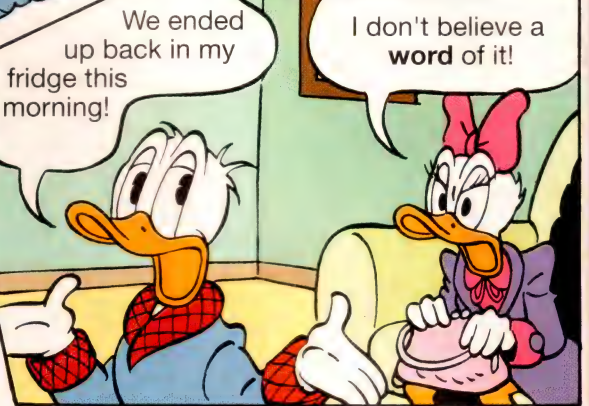

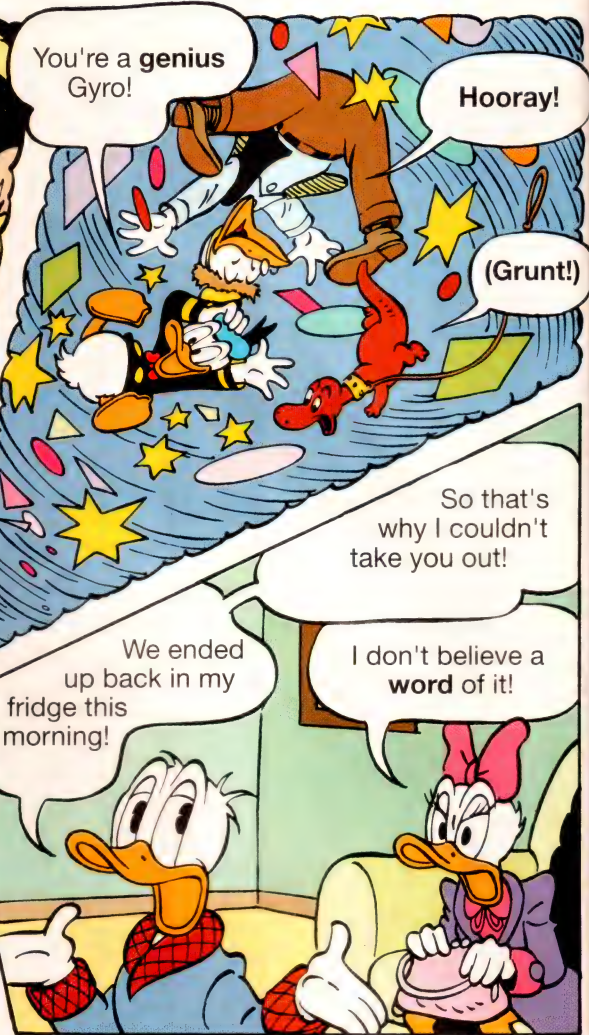

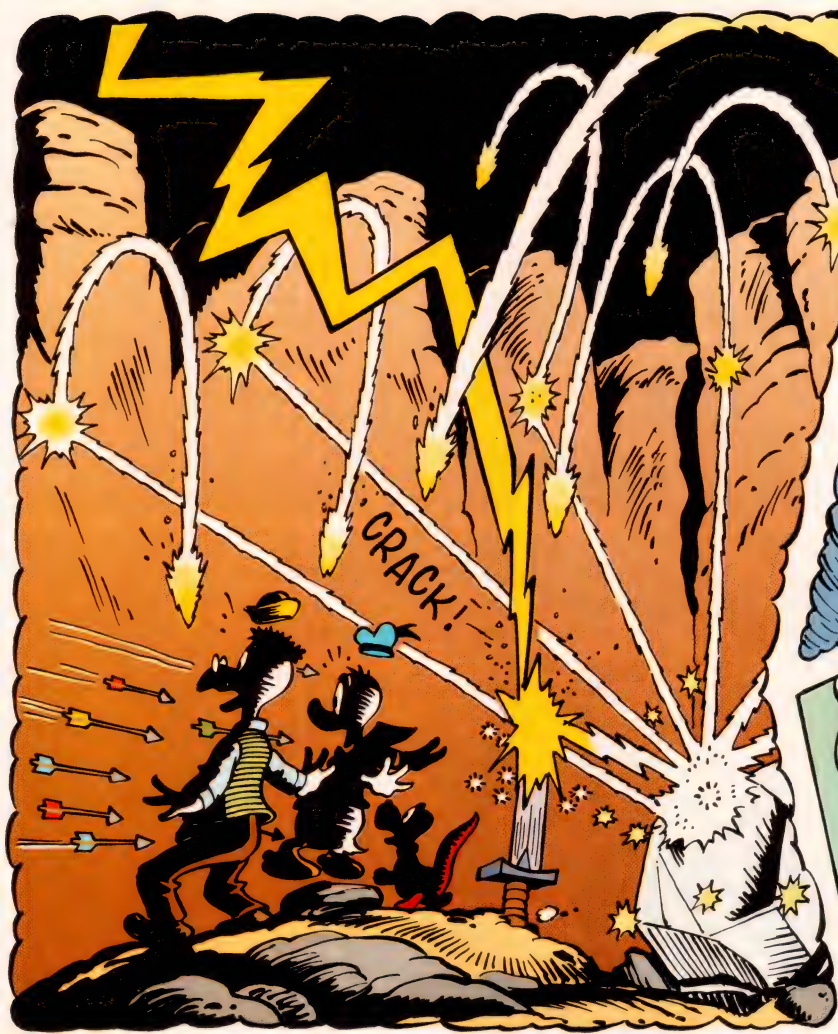

Grrrr!

Leggo, you stupid reptile!

I never liked you since the day you chewed up my slippers!

POETS CORNER

Goofy drove around
In his shiny new car,
Up and down the roads
he went,
Near and far,
He drove round the
corner,
Oh, dear, oh, dear, he
crashed!
There's nothing left to
call his home,
All that's left is
smashed!

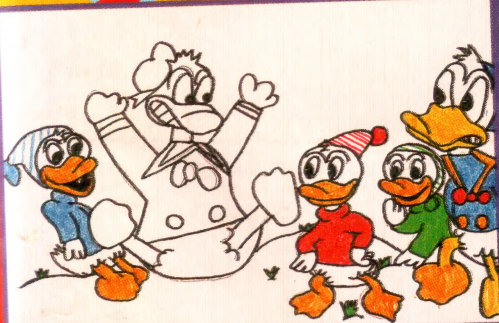

Thomas Nicholls,
Leamington Spa.

Jenna McLachlan
of Bampton
did this
super

Minnie.

For Saturdays I just can't wait,
Run down the path and through the gate,
To the shop, speeding like Sonic,
To pick up my Disney comic,
Then rush home without delay,
To send those competitions on their way!

Anya Wilkinson, Cumbria.

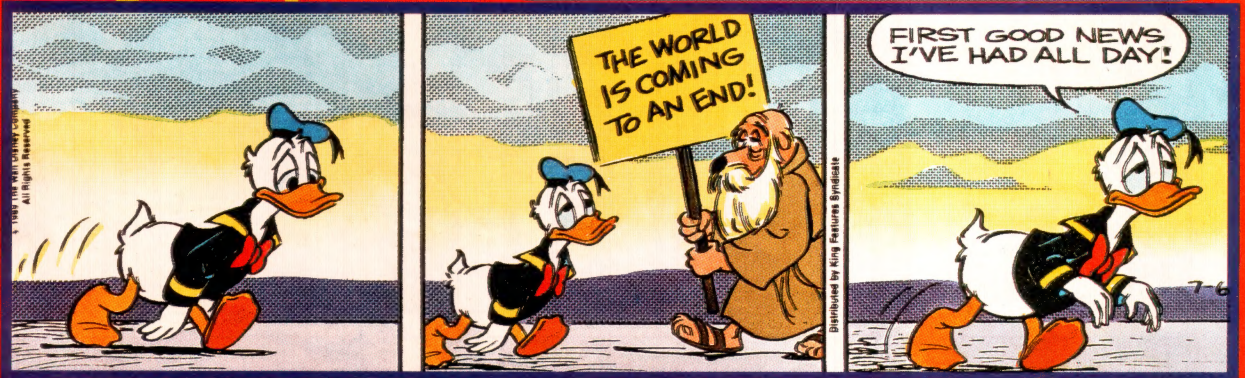

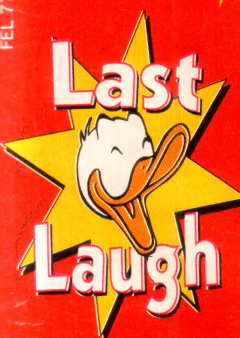

This week's star prize winner is **Mina Mokhtary** from Whitley Bay for this picture of the nephews winding Donald up again - 'snow joke'!
